The presentation submission deadline for your video is October 1, 2021, and the deadline for authors to
register at the conference is October 8, 2021 (https://www.aipr-workshop.org/registration-information).

Please note that at least one of the authors must register for the workshop paying a regular registration
fee. Although one attendee may present more than one paper, a separate and unique registration is required
for each paper presented. Presentations and papers submitted without registration will not be included in
the workshop program or in the proceedings. Instructions for registration are given on the AIPR conference
webpage (https://www.aipr-workshop.org/registration-information).

Presentation guidelines are summarized below and can also be found at https://www.aipr-workshop.org/author-

These are the durations of videos and Q&A sessions for oral and poster presentations:
• Oral video presentation: 15 min | Poster video presentation: 5 min
• Q&A sessions: Oral presentation: 5 min | Poster presentation: 2 min

Note: the video file size for oral paper or poster presentations should not exceed 350 MB. The pre-
recorded video is mandatory. Presenting authors are required to attend the live Q&A session to interact
with virtual attendees after their video presentation. See the Presentation Tips for Speakers at
https://www.aipr-workshop.org/images/AIPR_Speaker_Tips.pdf for additional presentation format and style

We are looking forward to your presentation at AIPR!
